STUDENTS' GYMKHANA ELECTIONS Year 2018-19

Indian Institute of Technology, Guwahati

File Ref: IITG/SAC/GYM18/Elections/Agenda/

Agendas and Declaration Form

Post contesting for: UG Senator

Name: MAYANK KUMAR

Nick Name.: MAYANK

Tagline (Punch line): "Change is a slow process, but quitting won't speed it up."

Agendas:

1. Project Proposal Portal (PPP)

- Domain: **SWC/CC**
- Proposal: **Develop a portal for proposal and management of projects.**
 - Portal will act as a medium to connect faculties, students, clubs and alumni of IIT-G for various project proposals. It would list projects proposed with their status. Interested members can show their interest for joining the project through the portal.
 - Projects deemed significant by the Gymkhana would receive additional grants and support. Their work could be mentioned in campus newsletter, circulated among current campus junta and alumni.
- Plan of action:
 - Firstly, a permission for making such a portal will be taken from CC and based on the permission it will either be done with the help of SWC or CC itself.

2. Discussion area

- Domain: **Engineering Section/General Campus Needs**
- Proposal: **Common discussion area for all the students.**
 - Present discussion room situated in the core 1 is far from library (where most of the student discussions take place during exams) and its seating arrangement is not suitable for discussion. Hence, I'll establish
 - 24x7 accessible and well equipped Common Discussion Area in an unused area opposite to CCD.
 - Cover the unused area in front of CCD with sheets and frames. Installation of proper furniture, whiteboards, plug points, pest killers etc.
- Plan of action:
 - A proposal will be put in Engineering Section to have the basic construction needed done. For all the infrastructural requirements, we can contact Establishment Section.

3. 24x7 Availability of food in the campus

- Domain: **Establishment section/General Campus Needs**
- Proposal: **Snacks and tea/coffee vending machines across the campus.**
 - Installation of snack vending machines and tea/coffee vending machines at locations of high student density across the campus.
 - Releasing tenders to install and maintain vending machines near hostels, new sac, academic complex etc.
- Plan of action: I will be contacting vendors who can install the vending machines in the campus and once there is a comprehensive list of vendors, we can take permission from the establishment section to release a tender.

4. Health and Welfare.

- Domain: **Hospital/Welfare Board/General Wellbeing of the campus.**
- Proposal:
 - Organize **free health checkup camps** around the year to ensure well-being of students.
 - Conduct hostel-level **gym** and **diet workshops** to provide proper guidance and avoid mishandling or injuries.
 - Conduct regular **Earthquake Mock Drills** for students and security officers to increase awareness in the institute.
 - Jet spray in Toilets in Hospital.
- Plan of action:
 - After taking the approval from Chief Medical Officer (CMO), I will go for the inclusion of hospital related terms in the contract.
 - I will contact the gym and diet instructors (Yoga, Athletics Instructors etc.) who work in the campus.
 - Earthquake mock drills can be organized with the help of NGOs.
 - For installation of Jet spray, I will contact Engineering Section.

5. Competitive exam discussion forum/guidance.

- Domain: **Academic Affairs/SAIL**
- Proposal: **I propose to set up and promote a discussion forum.**
 - Launch discussion forum for various competitive examinations like GRE, TOEFL, CAT, GMAT, CFA, GATE, IAS, IES, IELTS, etc. and promote further education opportunities.
 - Providing a healthy environment for people who want to prepare for competitive exams.
- Plan of action:
 - I will contact our alumni through SAIL for their guidance to these aspirants.
 - I will promote the formation of offline discussion groups, which would help likeminded people to come to the same platform and solve their problems.

6. Finish pending agendas of previous senators

- Domain: **Follow Up**
- Proposal: **I will pursue some very important incomplete agendas of previous senators.**
 - Ensuring conduction of **TEDx** Talks.
 - Conduction of Maintenance drive for hostels and allotting maintenance personnel to every hostel.
 - To increase number of working PCs in CC and to make sure that every PC has the same set of softwares.
 - Formation of Specific Interest Groups/clubs like Yoga club, Research club, etc.
 - Street light maintenance and changing filament bulbs to LED.
 - Construct ramps for differently abled people in hostels (kapili, siang, manas and dihing).
 - Introduction of additional NSO programs for Chess.
 - Initiation of a blog series for intern, placement and semester exchange describing procedure for application and experiences of final year students' and alumni, thus opening new opportunities.
- Plan of action:
 - I will contact the previous senators to enquire about the loopholes in their plan of action and suggest a better one.

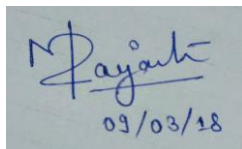

Experiences (Credentials if any):

1. Represented IITG at 52nd Inter IIT Sports Meet, Madras
2. Team Member at Consulting and Analytics Club.
3. Team Member at Robotics Club.
4. Participated in Spirit '17.
5. Active participation in Spardha and Manthan.

Declaration by the candidate:

I hereby declare that the above information is to the best of my knowledge. I do not have any disciplinary probation by the Institute and will abide by the rules and regulations laid for Gymkhana Election. I do not have any active backlogs to be cleared.

I know that any false information in this nomination form will lead to cancellation of my nomination and disciplinary action.
