Agendas:

1. Cleanliness in the Campus

Domain – Cleanliness

Proposal – Cleanliness in Main Audi, Mini Audi, Lecture halls and common sitting areas

Possible solution- Sweeping the sitting areas at least every day. The auditoriums and lecture halls need a change in the seats or if not possible, cleaning them by the vacuum cleaner needs to be done at least a month.

Plan of action – Vacuum cleaning of seats monthly, and manpower needed to clean sitting areas every day and supervision of their work on daily basis via concerned authorities.

2. Fogging in the campus to minimize mosquitoes breeding

Domain – Hygienic Environment

Proposal – Fogging should be done every month or once in two months to avoid mosquito breeding

Possible solution – Fogging

Plan of action – A team who does fogging area wise covering the entire campus in a week's time and update and follow up with the concerned authorities.

3. A prepaid card for mess

Domain – Financial benefit of student

Proposal – We can use a swipe machine that can read and cut money using barcode from the Institute Id.

Possible solution – The student will pay only for the meals that he consumes.

Plan of action - The student will swipe the card and pay for the meal and can accommodate any guest. This will include minimum mess charges that will cover mess worker's fees and other expenditure except food. The student will pay for food only if he eats that meal.

4- More eateries in the campus at the subsidized rates

Domain- Food

Proposal – More options will create a healthy competition in terms of rates, cleanliness, varieties and overall quality of the food.

Possible Solution - More tenders from IITG, that vendors from outside can fill to have an outlet in IITG

Plan of Action- We will give a tenure of 6 months to the shortlisted vendors and then on the basis of their performance which will have certain parameters as well as Voting by People of IITG. Also the feedback supposed to be taken seriously by every outlet, with necessary action to be taken.

5 – More funding for PhD students for various national and international conferences

Domain – Promote Research by financial assistance to students

Proposal- More Funding Departmental and Institute level

Possible Solution- – If alumni and other funds can be moved to this sector and can help students to bear the heavy expenses of travel and attending various conferences.

Plan of action – If not possible for every student, then atleast we can have few positions depending on the fund, for the students to apply for institute level or departmental level funding. This will be evaluated by the faculty and various competent authorities to select the deserving students.
