Agendas:

1. Appointment of certified nutritionist for mess.

Domain: HAB

Proposal: Appointment of a *certified* Nutritionist with the following duties:

- To ensure the quality of ration and vegetables which are bought from the market and keep a check on hygiene.
- To help the Mess management committees of all the hostels to decide a menu such that the nutritional demands of the boarders are met, without compromising the taste of the food.
- To introduce new recipes and train the cooks to make them.

Plan of action: The admin, and HAB are to be involved in the discussion on the recruitment and quality of the skills required; and post of "Nutritionist" is to be drafted. Also, best candidates are to be, and find the best person for the job.

2. CCTV in mess working area

Domain: HAB and Maintenance Section

Proposal: Installation of CCTV cameras in the mess cooking area to ensure monitoring of proper working practices and avoid hygiene and quality control.

Plan of action: HAB and Maintenance section are to be approached for the approval of the proposal stated above. For the same, General Secretaries of the respective hostels are supposedly responsible to push the installation and monitoring processes ensuring proper implementation.

3. To enable students to Self - Issue books from the library.

Domain: Library Dept. and S&P Section

Proposal: Procurement and deployment of self-issue kiosks to enable uninterrupted issuing of books using ID cards and removing dependence on office timings.

Plan of action: The purchasing, procurement and installation of the self-issue machine is to be done in co-ordination with the Library and S&P. Also, proper working and maintenance will be done.

4. Cleaning of hostel boarders' rooms per month

Domain: HAB and Maintenance section

Proposal: The hostel boarders' rooms should be cleaned every month by the hostel maintenance workers as per the choice of boarders.

Plan of action: The contract for hostel maintenance shall be ammended in co-ordination with HAB and hostel Gen Secs are to be involved to ensure that the conditions are not just approved in principle, but also implemented by full support of everyone.

5. Rejuvenation of hostel technical rooms to be equipped with better facilities.

Domain: HAB, Students Affairs, S&P Section

Proposal: Hostel technical room renovation and equipping the rooms with latest technical tools and high performance computers with high utility software and increasing supplies of working tools to help students with *Video Conferencing*, Kriti projects, BTP, Stimulations, etc.

Plan of action: The identification and listing of inventory required by hostels and a plan of action for ensuring security and maintenance is to be done and proposed for procurement. Also the hostel authorities are to be involved in the renovation and upkeep of the technical rooms.

6. To work for making the campus and services compatible to the differently abled.

Domain: Establishment section

Proposal: The smooth conduction and maintenance of a modified four wheeler which can be issued on demand.

Plan of action: I will coordinate with the establishment section to redraft the contract for the Transport service providers to include the condition to construct ramps and install them in the buses.

7. Construction of an open air Amphitheatre.

Domain: Engineering section, Infrastructure

Proposal: Construction of an open air Amphitheatre in the campus

Plan of action: The ideal location for construction is to be identified and a blueprint is to be submitted to the admin for approval of the same. The features to be included are also to be drafted and the construction be started by co-ordination of Engineering Section/Construction contractor.

Experiences (Credentials if any):
