Agendas and Declaration Form

Post contesting for: UG Senator

Name: Anurag Kakustham

Nick Name : Anu

Tagline (Punch line) : Be the change you want to be.

Agendas:

1. **To introduce a SAIL representative in each department's student body so as to increase department's involvement in alumni events:**

Domain: SAIL

Proposal: To assign a post in the student body to enhance the involvement of department in corresponding alumni events.

Possible Solution: Being a member of the student body, the representative would indulge in putting forth alumni events concerning the department and also assisting in corresponding SAIL events.

Plan of Action: The representative would seek the professors interest or requirements regarding any event that the department would like to conduct and if required, he/she would contact SAIL. Also in a similar case if SAIL needs any support from any department, the representative would be the point of contact for such events, thus enhancing the involvement of concerning departments. The representative at the end of the year will be asked to collect the whole data of the graduating students of that year, thus contributing to the alumni database of SAIL which is also of use to the body.

2. **Installation of Cafeteria at Guest House:**

Domain: Establishment Section

Proposal: The Guests staying in our guest house have no access to drinks, coffee or snacks at times that is required.

Possible Solution: Installation of a cafeteria in the guest house will serve the need of the guests.

Plan of Action: To put forth the idea and to find appropriate vendors for it.

3. Renovation of Hostel Grounds:

Domain: HAB & Maintenance Section

Proposal: Many hostel grounds require proper maintenance for the hostellers to use, also keeping in view that IIT Guwahati being the host of next Inter-IIT Sports Meet, the contestants can use the hostel grounds for practice because there will be no other place for them to practice while matches are being held in the main grounds.

Possible Solution: Therefore the renovation and proper maintenance of hostel grounds is of absolute need both for the corresponding hostellers and contestants.

Plan of Action: To give the proposal then to compel HAB so that proper funds are allotted and HMC to monitor the renovation as well as to maintain the grounds.

4. Regular update of Institute Webpages:

Domain: SWC & Senate Council

Proposal: There are many sites of IIT Guwahati that need attention, because they have not been updated for very long, which is of great importance.

Possible Solution: Also keeping in view, the heavy load of work on SWC, there is a need to monitor the work of updating the sites at least once for a stipulated time which may be a month.

Plan of Action: To introduce a senate or a senate sub-committee to monitor the work once for that stipulated time. The assigned senate or the sub-committee can be changed for the next time.

5. Mid-Semester Course Feedback:

Domain: Academics

Proposal: In the light of recent issues, one can always estimate the power of feedback. Every course takes feedback after the course is done, which is in no way useful to the currently registered students. This is also the reason for people being reluctant towards course feedback

Possible Solution: Introduction of mid-semester feedback

Plan of Action: To propose the idea and then implementing it through Academic Section, taking feedback just a week before mid-semester examinations which would help students for the remaining half of the course, also enhancing the response for feedback.

Standing Points:

1. To introduce a representative of SAIL in every department's student body so as to increase flexibility in alumni events and also to enhance department's activity.
2. Installation of cafeteria at guest house.
3. Renovation of Hostel grounds so as to enhance sportive culture of hostels and also keeping in view that IIT Guwahati is the host for next Inter-IIT Sports Meet, hostel grounds can be used for practice by the contestants while main grounds are used for matches.
4. Introduction of taking feedback in the mid of a semester, which not only helps the currently registered students but also enhances the responses of course feedback.

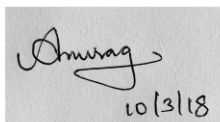

Experiences (Credentials if any):

1. SAIL Outreach Core Team Member (2017-18)
2. Member of Anti-Ragging Committee, Lohit Hostel (2017-18)
3. City Representative of Hyderabad, Technothon(2016-17)
4. Marketing Executive, Spirit 2016
5. Secured 3rd position in Messier Hunt event, Kriti 2016
6. Mentored other students who secured 1st position in Sky gazing event, Kriti 2017

Declaration by the candidate:
