### Agendas and Declaration Form

Post contesting for: PG Senator

Name: Anirban Bhowal

Nick Name.: Anir

Tagline (Punch line): Play hard and fair, stay fit and healthy

#### Agendas:

#### **Setting up of RO water treatment plants**

##### **Plan of Action:**

First of all, I would try to improve the hygiene by proposing establishment of RO water treatment plants at least in a few hostels on an experimental basis. We have all seen a few days back poor water quality caused diarrhea and other diseases. This could be avoided if water is treated with RO mechanism centrally at the hostel level.

#### **Juice Center in OLD SAC**

Setting up a juice center in OLD SAC where players can have an energy drink.

##### **Plan of Action:**

This can be done with consultation with Sports Board & Establishment Section.

#### **Bus timings and route need to be revised**

During peak hours more buses can be scheduled to avoid the rush.

##### **Plan of Action:**

Bus route and timing is a big issue. At least some of the buses should go through the boys hostel route to Subansiri. Majority of the campus residents travelling by buses belong to the boys hostel. During peak hours like on weekend evenings, buses are overcrowded. Multiple buses can ply during these peak hours.

## **Making online portal for leave application and stipend forms (for PG students).**

Online portals can be made for all booking purposes like guesthouse booking, sports facilities booking, auditorium, conference hall booking etc. It will save time and paper.

### **Plan of Action:**

Online portals should be launched for booking guest houses, sports facilities, classrooms, auditorium, conference halls etc. People have to roam here and there in respective offices and often the concerned office staff are not available also. So by making it online, both paper work and time would be saved.

## **Restaurant prices and food quality need to be monitored regularly.**

Food and hygiene is a big issue in our campus. The restaurants which are set up in our campus should be monitored regularly both in terms of price and food quality. A steering committee should be set up to regularly check these things. Monitoring prices and quality of core canteens and fruit shops.

## **Increasing the funding for conference and workshop visits specially international conferences.**

### **Plan of Action:**

Lastly PG students have to go for conference and workshops. So increasing the funding for these visits would benefit them more because the current funding is inadequate for multiple conference visits or international conferences.

**Experiences (Credentials if any):**

Sports Secretary in Dibang Hostel for 2016-17 and 2017-18.

Treasurer of RSF-EEE, a student body in EEE department.
