STUDENTS' GYMKHANA ELECTIONS

Year 2018-19

Indian Institute of Technology, Guwahati

File Ref: IITG/SAC/GYM18/Elections/Agenda/

Agendas and Declaration Form

Post contesting for: UG senator

Name: Namrata Gupta

Nick Name.:

Tagline (Punch line): Making campus better than home

Agendas:

Photograph

Following are the agendas that I would like to work on during my tenure. A few of my agendas are focussed on taking forward the issues raised by the previous senators, ensuring that they get implemented smoothly in the near future, while the other half are some new ideas that I would like to implement for the betterment of the campus.

1. **Heading:** 24 hours availability of food items in academic complex area via vending machines.
Domain: FOOD
Proposal: The canteens in the academic complex and library close by 6:00 pm while the library remains open till 2:00 am on regular days, and hence some sort of food supply is necessary in that area. The problem becomes extreme during mid and end semester examinations, when even the library becomes functional for 24 hours Hence, a 24 hours source of food is required.
Possible Solution: Start by setting up 1 vending machines in each core, 1 near library and 1 near the new sac. If this turns out to be successful then it can be extended to all the hostels as well.
Plan of Action: If elected, first of all I will contact all the vendors in the city asking them to propose quotations. After judging the requirement of students, cost and feasibility of the plan, I will propose the final quotation to the Dean IPM, thereby ensuring a smooth implementation of the plan.
2. **Heading:** Separate representative for hospital related issues.
Domain: Welfare
Proposal: Many issues related to hospital have been surfacing over a long period of time like the quality of treatment, efficacy of medicines, competency of doctors, etc. The present medium of complaint is inefficient and inadequate. Therefore establishing a communication link between the hospital authorities and the students is essential.
Possible Solution: Introducing a gymkhana position under welfare board which will act as a communicating link between the hospital authorities and the students. Managing the complaints, collecting the feedbacks and conveying the issues will be the tasks implemented by him.
Plan of Action: If elected, I will circulate a Google doc collecting responses from the interested students. The appropriate candidate will be selected after interviewing.
3. **Heading:** Online book re-issuing.
Domain: Library
Proposal: It becomes a tedious task for students to carry books for reissuing them. The Laxminath Bezbaroa library section on intranet can include a portal for online reissuing.
Possible Solution: The Laxminath Bezbaroa library section on intranet can include a portal for online reissuing. A book can be re issued for a maximum of 2 times (135 days) and after that it has to be physically submitted at the library.
Plan of Action: If elected, I will discuss it with the other senators and send a proposal to the librarian and SWC for asking it to make the portal.
4. **Heading:** Making CC available 24 hours during examinations.
Domain: CC
Proposal: Many of the students do not have laptops in the campus especially during the first and second semesters. Also, it becomes very cumbersome for the ones who have it,

to carry them. Majority of the course material is online. Therefore, the availability of CC for 24 hours especially, during the examination time is necessary.

Possible Solution: availability of CC for 24 hours especially, during the examination time

Plan of Action: If elected, I will make a proposal and send it to the Head of Computer Centre (HOCC), asking him to make CC available 24 hours, especially during examination.

5. **HEADING:** Improving the quality of core canteens and stationeries.

DOMAIN: Food And Stationeries

PROPOSAL: There is no provision for the assessment of the quality of food and stationery shops in the academic complex and library.

POSSIBLE SOLUTION: Taking feedback and collecting complaints of these shops on a regular interval is necessary.

PLAN OF ACTION: If elected, I will float a feedback form, collecting responses about the quality and availability of food items at these shops. After appropriate analysis I will make a report and forward it to the DEAN IPM, asking him to take the necessary actions.

Following are also some of the issues on which I would like to work during my tenure:

- Setting up water coolers in SAC, Food Court and Conference Centre.
- Making the application and payment of the transcript online.
- A 24 hours printing facility in the campus
- Organising more cultural events in the campus like Food Festival (started this year)
- Improving the system of E-rickshaws in the campus
- Organising live Q&A rounds, in collaboration with CBS, in which junta can ask anything regarding the working of senate.
- Extending timings of the indoor courts.

Experiences (Credentials if any):

Following are my experiences:

1. Welfare Secretary of Dhansiri Hostel
2. Member of 51st and 52nd Inter IIT contingent
3. Marketing Executive at Techniche.

Extra sheets may be attached if needed.

Declaration by the candidate:

I hereby declare that the above information is to the best of my knowledge. I do not have any disciplinary probation by the Institute and will abide by the rules and regulations laid for Gymkhana Election. I do not have any active backlogs to be cleared.

I know that any false information in this nomination form will lead to cancellation of my nomination and disciplinary action.
