Agendas and Declaration Form

Post contesting for: PG SENATORS

Name: ANIRBAN DAS

Nick Name.: ANIRBAN

Tagline (Punch line): Stop not until the goal is achieved.

Agendas:

Agenda 1: Women safety

Background: In the past year and even recently some incidents related to physical violence and misbehavior to women, have happened. These are **not acceptable** at any level.

Proposal: To counter these unfortunate incidents, I propose, to install CCTV camera in major places of campus. The CCTVs will be installed keeping in mind of the usual gathering points in campus and also shall not breach the privacy of residents. If the major areas are covered and monitored for 24x7 by security remotely, IITG can effectively put security guards for patrolling in unconventional area.

Agenda 2: Unity in Diversity

Background: We value a diverse college community where all individuals are treated with respect and dignity. But sometime it had been observed that discrimination harassment or retaliation went out of control in IITG.

Proposal: We are committed to providing a learning and working environment that is free of discrimination, harassment or retaliation. We do not discriminate on the basis of race, color, ancestry or national origin, religion, sex, sexual orientation, gender expressions, gender identities, age, socioeconomic status, family status, marital status, disability, veteran status, or other status protected under local, state laws. We are the students belonging from an institute of National importance have to set example for others in the society.

Agenda 3: Cash award for publication

I propose to IITG administration to give “**cash prize**” for MTech and Ph.D. students for their first publication during their tenure. The publication must be in a peer-reviewed journal and as a first author. This will encourage students to pay more concentration in research and ultimately lift the research excellence of IITG.

Experiences (Credentials if any):

1. Certificate of Appreciation in RECYCLE-2018 (International Conference in the month of February) from IIT GUWAHATI.

Extra sheets may be attached if needed.
