STUDENTS' GYMKHANA ELECTIONS Year 2018-19

Indian Institute of Technology, Guwahati

File Ref: IITG/SAC/GYM18/Elections/Agenda/

Agendas and Declaration Form

Post contesting for: PG SENATORS

Name: AWADH KISHOR KUMAR

Nick Name.: KISHOR

Tagline (Punch line): Excellence in research and academics

Agendas:

Agenda 1: Women safety

<u>Background</u>: In the past year, some incidents related to physical violence and misbehavior to women, have happened. These are **not acceptable** at any level.

Proposal: To counter these unfortunate incidents, I propose, to install CCTV camera in major places of campus. The CCTVs will be installed keeping in mind of the usual gathering points in campus and also shall not breach the privacy of residents. If the major areas are covered and monitored for 24x7 by security remotely, IITG can effectively put security guards for patrolling in unconventional area.

Agenda 2: Happy hour

<u>Background</u>: I,Awadh kishor kumar, personally observe that students especially Ph.D. researchers have very less interactions with other research groups and other faculties. For that, their span of thinking is shrinking and confined to their own research area.

<u>Proposal</u>: To overcome this, I want to introduce the concept of "**Happy Hour**" where, once in a month, faculty and students will meet in their respective departments / coffee shops for an hour long interaction. The meeting will be once in a month and each department should allocate 3 TAs for conducting the event. A small refreshment (e.g. a cup of tea and biscuits) will be served and departmental fund will be used for the event.

Agenda 3: Medal for master's students in engineering streams

<u>Background</u>: Presently there is no provision of presenting medal for the departmental rank 1 for master's students in engineering streams.

<u>Proposal</u>: The medal will be presented during convocation. This will create an enthusiasm among students to be good academically and ultimately lift reputation of IITG.

Agenda 4: Cash award for publication

I propose to IITG administration to give "cash prize" for M.Tech and Ph.D. students for their first publication during their tenure. The publication must be in a peer-reviewed journal and as a first author. This will encourage students to pay more concentration in research and ultimately lift the research excellence of IITG.

Agenda 5: Procurement of printer for flex and posters

<u>Background</u>: Students often go conferences and workshops for presenting their research work in India and abroad. A big number of conferences / workshops are being organized inside IITG every year. In those events posters and flexes are integral part for advertisements. Students have to go to city to print the posters and flexes. That absorbs an enormous time and energy.

<u>Proposal</u>: To save time and money, I propose, to purchase a printer for printing flex and poster. Students can print their posters at a **discounted rate** specified by IITG administration.

Declaration by the candidate:

I hereby declare that the above information is to the best of my knowledge. I do not have any disciplinary probation by the Institute and will abide by the rules and regulations laid for Gymkhana Election. I do not have any active backlogs to be cleared.

I know that any false information in this nomination form will lead to cancellation of my nomination and disciplinary action.
